Why Participate?

Stronger communities grow when people step out and take action—join us as we bring visibility directly to the businesses that need it most.

What Will We Be Doing?

A BizBlitz is a one-day, high-energy, proven approach outreach where volunteers, champions, and community leaders hit the streets and visit businesses directly to:

- Help local businesses and organizations get visible statewide
- Invite businesses to create their free listing—right on the spot
- Build momentum and community pride with a unified message
- Strengthen relationships between leaders and Main Street storefronts

Get Listed. Get Seen. Get Connected.
