## Directions:

1. **HEADER IMAGE:** Right click on the image above, save it to your device, then add to your email invite. You can also download the image at the bottom of [this webpage](#).
2. **SUBJECT LINE:** Add this to your email subject line: **Become a Community Champion – Join Our Rally!**
3. **EMAIL BODY:** Copy / paste the email body template included on the next page. Be sure to replace info in brackets.
4. **FLYER ATTACHMENT:** Don't forget to attach the flyer for your event. You can download your customizable flyer at the bottom of [this webpage](#).

# Template, Email Body:

Hi [Name],

We're inviting community-minded leaders and volunteers to join us for a Community Champion Rally — a short, high-energy training that shows how to help local businesses and organizations get visible using What'sUp 24/7.

What'sUp 24/7 is like a modern, digital replacement for the old phone book — similar to Googling something locally — but built specifically for communities and regions. It brings businesses, organizations, jobs, events, and local resources together in one trusted place.

As a Community Champion, you'll learn how to:

- Help local businesses and organizations get visible
- Keep community information accurate and up to date
- Either sign up organizations in person or send simple invitations
- Play a hands-on role in helping your community shine

No tech skills are needed — just a love for your community and a willingness to help connect others.

Please see the attached flyer for date, time, and location details.

We'd love to have you join us!

Best,  
[Host Name]  
[Organization]
